## WHERE THE TURF MEETS THE SURF

Del Mar racetrack opened its doors on July 3, 1937. Since then it's become West Coast racing's summer destination where avid fans and newcomers to the sport enjoy the beauty and excitement of Thoroughbred racing in a gorgeous seaside setting. Since 2014 the shore oval also has offered a fall session dubbed the "Bing Crosby Season" in honor of the track's founder.

# HOW TO PLACE A BET

Placing a bet at a teller window is easy. Have your cash (or voucher!) ready and follow these steps:

- ◆ Racetrack name and race number
- ◆ Dollar amount and type of wager
- ◆ Program number of the horse(s) you pick

For example that pretty gray filly you had your eyes on: Del Mar, Race 4, \$2 to win on #5. The teller will hand you your ticket (don't lose it).

Be sure to double check your bet, then it's time to watch the race!

**SUNDAY, NOVEMBER 26, 2023****BEST BET: RACE 9, NATION****FIRST RACE**

Bred to win early, **KOPION** debuts with a series of works that suggest she can fire first out. Sired by Omaha Beach, whose debut juvenile progeny have won at a 26-percent rate, KOPION was produced by a mare whose eight runners include six debut winners including stakes winners Ami's Flatter, Amis Gizmo and Aragorn Ami. All systems go for trainer Richard Mandella and Flavien Prat, who teamed to win with 4 of their last 8 dirt first-time starters. **SHE'S A TEMPEST** finished a creditable second in her debut, a race won by the odds-on favorite. 'TEMPEST should be forwardly placed with a license to improve second out. **CRITICISM** ran better in her debut than her modest 56 Beyer. She was five- and four-wide throughout and finished nearly three lengths clear of third. She moves up slightly in class from restricted maiden to maiden special-weight, and is the only starter who has raced at this six and one-half furlong distance.

**SECOND RACE**

Consistent multi-surface sprinter **DISKO TRIBUTE** can win this \$32k claiming sprint based on sharp form in Northern California. He finished second last out behind a 4-for-6 pro who routinely earns 90-plus figures. 'TRIBUTE won his only start over the Del Mar surface last year, and can give high-percent No Cal trainer Reid France the first DMR win of his career. **ESTABLISHED** tailed off his last two starts, but a return to DMR could turn him around. He ran well both starts on this track in summer, and figures for an up-front trip. **LAMBEAU** returns from a layoff with a series of sharp works. Although he has run better in routes than sprints, this is the first time he has raced for a claim tag. SANTOS TO WILSON, 2-for-4 over the DMR track, moves up a notch off a runner-up finish from which he was claimed for \$25k by Vann Belvoir, who is 5-for-13 first-off-the-claim with So Cal dirt sprinters the past five years according to Formulator.

## Del Mar Bottom Line

### THIRD RACE

**ANGELCENTS** and **PHENOM** face a possibly challenging pace scenario in this \$25k claiming turf sprint. Both are front-runners; they could compromise each other. Nonetheless, the call is **ANGELCENTS**, who might be quicker. An eight-time winner from 18 starts, the speedster returns to the claiming ranks and is reunited with Kyle Frey, who rode her to a pair of gate-to-wire wins this spring. **PHENOM** also has speed, dropping from \$50k claiming, and drawn outside where she might have the option of pressing/stalking rather than going head and head with **ANGELCENTS**. If the top pair run each other into the ground, the race could fall apart in favor of longshot late-runner **A NEW PEACE**. She was claimed from a \$12.5k claiming dirt win last out, she has won on turf, and should be running late from a midpack position. She should start at a hint of a price. **NU PI LAMBDA**, 1-for-27, also will be running in the lane.

### FOURTH RACE

Five-start maiden **CALIFORNIA TIGER** and second-time starter **JOHN DUNBAR** top this Cal-bred maiden-50. 'TIGER ran the best race of his career last out, runner-up with an above-par speed figure while finishing more than five lengths clear of third. He is likely to get first run over his main rival. However, the runner-up debut by **JOHN DUNBAR** also was very good. He was sent hard from the inside post to chase the pace from fourth, was in a tight spot turning for home, split horses late, rallied between runners and missed by only a half-length. Excellent debut. Now he moves to the outside post, with a race under his belt, and an additional half-furlong in this six-furlong sprint. Close call between the top pair. **CAROL'S COMIC** is an 18-start maiden with 10 in-the-money finishes. He will be chugging along late. **EL REY DORADO** drops from Cal-bred MSW to Cal-bred maiden-50 for his first start in nearly three months. Upsetter?

### FIFTH RACE

This deep N1X sprint could go a number of ways. Gradually improving 3yo **MISTER ICEMAN** gets the call based on his better-than-looked fifth last out at Santa Anita. He was shuffled and lost position on the turn, blocked most of the stretch, and missed by only a length and a half without a fair chance. He ran well both turf sprints at DMR in summer (runner-up, sixth with trouble). **KING APOLLO** has been stuck at this N1X level most of the year without a win, but he almost always shows up. His last seven tries at the level produced four seconds and a third. 'APOLLO is a late-runner; there is enough pace to flatter his closing style. He is trained by Kristin Mulhall, who also entered front-runner **SAWASDEE**. The latter wired Cal-bred allowance rivals on this course in summer, he will contest the pace. **SILARDI** also has speed while habitual slow starter **PRINCE LANCELOT** was gelded since his most recent start. He will rally late. This field is deep.

# Del Mar Bottom Line

## SIXTH RACE

**DEVIL MOON** drops in class, returns to dirt, and is drawn outside main rival **K P KWEST** in this N3L claiming sprint. Six and one-half furlongs might be a reach for 'MOON, but he could get a good trip pressing his main rival from the outside. Of course, K P KWEST could be long gone. He ran super finishing second at this level last out. He was hounded through fast splits, shook off two pace rivals who finished nowhere, then got collared by a closer while finishing more than three lengths clear of third. Excellent try by the gelding, who could be long gone running back at the same class level. The same question applies to 'KWEST as the top choice: can he stay six and a half? **ELEVADO** return to a sprint and will be running from off the pace. He likes the DMR track.

## SEVENTH RACE

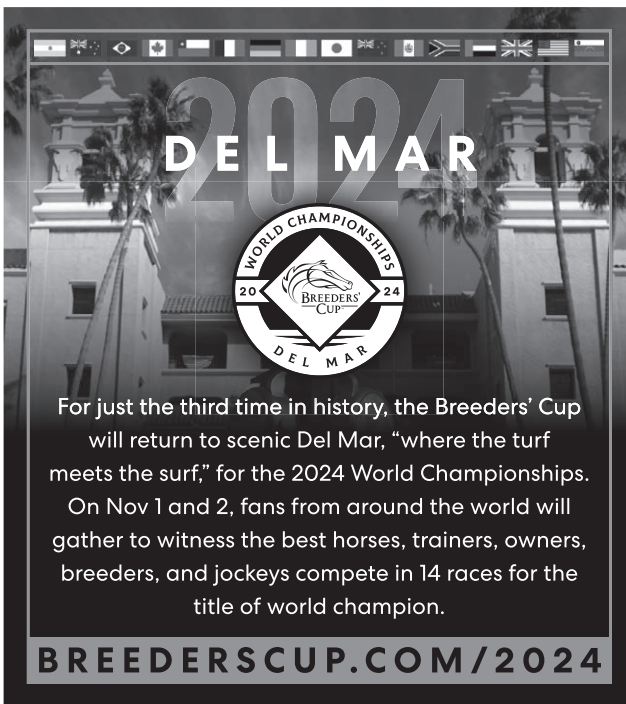

**IDESSIA** is on a roll, seeking her third straight in this N1X turf mile following maiden and Cal-bred allowance wins. Her last was her best yet. She ran faster each successive quarter-mile, finished in :23.14 and won going away. Sharp gray filly can handle open company. **LAKOTA SPIRIT** also enters in peak form, runner-up by a head last out in an off-turf allowance, and runner-up two back behind subsequent (two starts later) G3 winner Linda's Gift. **JENSCO** is probably the one to catch. First-time long, speed to make the lead, she could clear and get brave. **TIERGARTEN** won three of her last five starts while moving up the ladder. **KLEEN KARMA** is a three-time winner over the DMR turf, including a N1X win two summers ago. She entered for the optional \$40k claim tag.

## EIGHTH RACE

**NEWGRANGE**, multiple graded winner, can win this G3 dirt route if he improves from his promising comeback. He dueled through a blazing pace, hung tough into the lane and tired while making his first start in seven months. The fractions should be slower in this nine-furlong race, **NEWGRANGE** figures for a good trip setting or pressing the pace outside the front-runner in post 2. **SKINNER** drops from a pair of G1 races and is the best late threat. However, this stakes race is usually won by horses with speed. Eight of the nine Native Diver winners either wired the field, or pressed from second position. Conversely, **SKINNER** is a deep closer. Second choice, nonetheless. **MR FISK** is an improving 3yo who ran the best race of his career on this track in summer when he dead-heated in a stakes for 3yos. **ARROWTHEGREAT** is the aforementioned allowance-caliber front-runner in post 2. A gate-to-wire winner both routes (MSW and N1X), he will attempt an ambitious class hike while in sharp form.

## NINTH RACE

Second-time starter **NATION** can win this maiden turf route based on his promising runner-up debut at Keeneland in which he had plenty of self-caused trouble. He was rank and green early, lost ground throughout, rallied five-wide into the lane, and ran his final quarter-mile in a strong :22.47. With only minor improvement second out, **NATION** should be tough. **SEA OF CORTEZ** stretches out from a promising U.S. debut in which he missed by a neck at six furlongs. He broke slow both starts, but has enough speed to establish a forward position regardless. **KHANTARO D'ORO** is an eight-start maiden, but likely to improve second start back after a decent pace-pressing sixth-place comeback.

For just the third time in history, the Breeders' Cup will return to scenic Del Mar, "where the turf meets the surf," for the 2024 World Championships. On Nov 1 and 2, fans from around the world will gather to witness the best horses, trainers, owners, breeders, and jockeys compete in 14 races for the title of world champion.
