THE CITY OF SAN DIEGO

TODD GLORIA

MAYOR

October 31 – November 1, 2025

Dear Friends:

On behalf of the City of San Diego, it is my distinct honor to welcome you to the 2025 Breeders' Cup World Championships at Del Mar. We are thrilled to host for the fourth time one of the most prestigious events in horse racing. San Diego is proud to share the beauty and excitement of our region with you and the thousands of visitors and racing fans from around the world.

San Diego is known for its near-perfect weather year-round, stunning beaches, and world-class restaurants, hotels and attractions, making it the ideal backdrop for this year's Breeders' Cup. Whether this is your first time here or you are a returning visitor, I encourage you to take in all that our vibrant city has to offer. From our scenic coastlines to the historic charm of Old Town and the vibrant energy of our Downtown Gaslamp Quarter, there's truly something for everyone to enjoy.

The Del Mar Fairgrounds, famously "Where the Turf Meets the Surf," has a rich history dating back to 1937 and provides the perfect venue for two days of the ultimate in Thoroughbred racing excitement.

Thank you for being part of this extraordinary event. Again, we are thrilled to welcome you and the Breeders' Cup back to San Diego.

Sincerely,

A handwritten signature in blue ink that reads "Todd Gloria".

TODD GLORIA
Mayor
City of San Diego

A message from Del Mar's CEO

On behalf of the Del Mar Thoroughbred Club's Board of Directors and staff, it's an honor and a pleasure to welcome you to Del Mar, as we proudly host the Breeders' Cup World Championships for a fourth time in nine years.

Del Mar has welcomed the world in 2017, 2021, and 2024 as host of the Breeders' Cup. And now, our past history of unsurpassed racing, five-star hospitality, along with the natural beauty of the village of Del Mar and nearby San Diego brings the Breeders' Cup back in 2025.

Since 1937 when Bing Crosby and a small group of Hollywood friends brought Thoroughbred racing to this spectacular seaside venue, Del Mar has been the site of many of the sport's greatest legends and champions. We expect this year to only build on that legacy. And we couldn't have done it without the incredible support from the City of San Diego, its mayor, Todd Gloria, and the community at

large, who all understand the benefits of bringing this prestigious international event to our region.

If you've been to Del Mar in the past, welcome back. If this is your first visit, you're in for the biggest two-day party of the year.

Enjoy the 2025 Breeders' Cup World Championships.

With warmest regards,

A handwritten signature in black ink, appearing to read "Joe Harper". The signature is stylized and fluid.

Joe Harper
CEO,
Del Mar Thoroughbred Club

Welcome to the 2025 Breeders' Cup World Championships.

We are honored you have joined us for our international festival of racing, once again held "Where the Turf Meets the Surf" at beautiful Del Mar Thoroughbred Club. From Future Stars Friday through Championships Saturday, the stage is set for the world's greatest horses, owners, breeders, trainers, and jockeys to compete for their place in history in races you'll never forget.

The Breeders' Cup has always stood for excellence, and last year's World Championships on the shores of the Pacific Ocean set a new standard. Records were broken across the board, including global wagering of \$203.7 million from 39 countries, international starters from five continents, and more than 7 million fans watching across television and digital platforms. These milestones reflect the worldwide passion for our sport — one that shines brightly here at Del Mar — and we are pleased to return as we continue to raise the bar for racing's ultimate weekend.

Since 1984, the Breeders' Cup has crowned more than 400 champions while allocating more than \$1 billion in purses and awards to the Thoroughbred racing industry. This year, we have also expanded our Breeders' Cup Charities program, with 100% of all royalties from Breeders' Cup merchandise going to support vital non-profits that benefit the racing community. You will see our "Champions Give Back" campaign featuring multiple fundraising initiatives surrounding the World Championships, and we kindly ask you to consider joining us in these worthy efforts.

With more than \$34 million in purses and awards on the line, the World Championships are a celebration of the sport we all love. Enjoy world-class hospitality, cheer on your favorite contenders, sip a glass of champagne, and celebrate your role as part of the global community that makes the Breeders' Cup so special.

On behalf of the Breeders' Cup Board, Members, Nominators, and our entire team, thank you for being here. We hope this weekend brings unforgettable moments and memories you will carry with you long after the final race is run.

Best regards,

SURFACE MAINTENANCE & TECHNOLOGY

TRACK CONDITIONING IS DONE MULTIPLE TIMES A DAY.

Factors that can be controlled in dirt and turf tracks are water, compaction, and material composition/loss.

DIRT TRACK

The main track at Del Mar is a natural dirt track that is a combination of several types of dirt and sand. In order to ensure the safest track conditions for the athletes, surface specialists use a number of maintenance techniques depending on weather conditions.

Various types of machinery are used by the track superintendent for grooming the track to ensure proper cushioning depth and surface consistency for each race.

Instruments are used to measure and record cushion depth as well as moisture content to provide the safest possible racing surface.

These same techniques are used several times each morning and during renovation breaks to ensure a consistent and safe surface while horses are exercising in preparation for future races.

TURF TRACK

To provide consistent and even footing, the track's inside safety rail can be repositioned to ensure that the horses are running on fresh and even turf.

Tamping of divots and aeration are two ways to ensure consistent and cushioned footing.

Moisture content is closely monitored to produce even footing while promoting turf growth.

DEL MAR SURFACE TESTING PROTOCOLS

- ✓ Experts use instrumentation to collect data on track conditions to ensure that the surface is consistent around and across the track.
- ✓ The surface testing process at Del Mar is ongoing throughout training and racing.

- ✓ Breeders' Cup works alongside TurfTrax to evaluate turf conditions and readings provided by state of the art technology.
- ✓ Experts from the Racing Surfaces Testing Laboratory, Horseracing Integrity & Safety Authority (HISA) Track Surface Advisory Group, and Del Mar Track Superintendents collaborate year-round.

✕ WAGERING INFO ✕

Breeders' Cup Limited and Del Mar Thoroughbred Club are pleased to present the variety of bet types offered at this year's Breeders' Cup World Championships. For your enjoyment and to increase your knowledge, the following descriptions include information and strategies to play these wagers.

Why the Breeders' Cup World Championships **ARE THE BEST BET IN RACING**

A full field of 14, Grade 1-quality horses competing in most of the Championships races presents high wagering value. The average payout prices for all bet types are higher due to the competitiveness of the horses, the large fields, and the total volume of wagering, which exceeds \$200 million. You should make a plan for your wagers by doing some advance handicapping, making your selections, and determining the types and amounts of your wagers prior to getting into a mutuel line. Having a plan will guarantee you the best chance to take advantage of the Championships. The following examples detail methods and strategies for wagering using each of the various bet types.

One of the most popular bets during the Championships, the Pick 4 gives you a chance to cash a big paying bet for a small investment. The Pick 4 is offered on races 2-5, 4-7 and 7-10 on Friday. On Saturday, the Pick 4 is offered on races 2-5, 4-7, 6-9, 7-10, and 9-12. The Pick 4 is similar to the Pick 3 but you must select four consecutive winners in four consecutive races.

If you select 2 horses in each leg, the bet would cost only \$8 (it is a fifty-cent minimum bet). A popular way to play the bet is to pick multiple horses in one or two legs and a single or two horses in the other legs; maybe $5 \times 2 \times 1 \times 4 = 40$ combinations, but is only a \$20 wager and you've given yourself a chance to hit a high payout.

A CLOSER LOOK AT BREEDERS' CUP SAFETY PROTOCOLS

All runners must be on grounds for a security check-in

TUESDAY, OCT. 28

and are under surveillance by security experts, veterinarians, track officials, and regulators at all times.

Equine security experts monitor all runners

24 HOURS

a day, observing visits by staff associated with the runner and any healthcare treatments administered prior to race day.

Multiple veterinary teams from Breeders' Cup, Del Mar, and the California Horse Racing Board assemble to evaluate and examine runners

5-6 TIMES

before race day and meet regularly to discuss their observations and findings.

OTHER STRENGTHENED ON-SITE REQUIREMENTS

Increased **VETERINARY REVIEW** of medical records, past performances, and prescriptions.

Prohibition of **RACE DAY MEDICATION.**

INCREASED withdrawal times for anti-inflammatory medication.

DAILY SURFACE TESTING overseen by international turf and dirt experts, followed by the distribution of reports on the track conditions in addition to ongoing conditioning and maintenance based on weather conditions.

JOCKEYS required to comply with concussion protocols and equipment safety standards in addition to being required to participate in HISA's HeadCheck program.

VETERINARY AND MEDICAL teams positioned around the racetrack to immediately respond to any horse or rider that may need attention before, during or after the race.

OUT-OF-COMPETITION TESTING

JUNE

Around the world, Breeders' Cup veterinarians work in conjunction with the Horseracing Welfare & Integrity Unit (HIWU) or with international regulatory authorities in cooperation with HIWU to perform out-of-competition testing to ensure runners have not used performance enhancing substances or banned substances.

AUGUST

Most of the pre-event testing takes place when contenders are stabled at tracks with their trainers, but in Europe, samples are taken by veterinarians traveling to individual stables due to different stabling/shipping protocols.

OCTOBER

Testing continues until race day.

NOVEMBER

At minimum the top 4 finishers in each Breeders' Cup World Championships race will be subject to HIWU post-race sample collection.

BREEDERS' CUP VETERINARY EXAMINATIONS

At the Breeders' Cup, veterinarians do everything possible to ensure the **SAFETY OF OUR ATHLETES**

STARTING 6 MONTHS Before Breeders' Cup

PRE-TEST AND EXAMINE

Around the world, Breeders' Cup coordinates with veterinarians and relevant authorities to examine Challenge Series winners and potential starters, and works with the Horseracing Welfare & Integrity Unit (HIWU) to conduct sample collections consistent with the Horseracing Integrity & Safety Authority (HISA)'s Anti-Doping and Medication Control (ADMC) program.

STARTING 30 DAYS Before Breeders' Cup

An expert veterinary review panel is tasked with reviewing potential runners for any potential risk factors that warrant further scrutiny, imaging, and diagnostic evaluation.

SECURITY & VETERINARY CHECK IN TIME

All Breeders' Cup Friday and Saturday Championship runners must report to Del Mar for security check in on **TUESDAY, OCT 28**.

At any time, blood, hair, or urine samples may be taken for additional testing. Runners are carefully monitored by the equine security team 24 hours a day.

EXPERIENCED VETERINARIANS

The Breeders' Cup employs highly respected, experienced regulatory veterinarians to assemble at Del Mar to begin daily inspections of all runners by assigned veterinary teams. The teams pair Breeders' Cup veterinarians, the Del Mar track veterinarians, and CHRBR regulatory veterinarians.

FLEXIBILITY & JOGGING

Veterinary teams go to every trainer's barn to examine each horse, which includes a combination of feeling its legs, testing for flexibility, and jogging to demonstrate the horse's natural movement. All horses must pass a jog up exam before being allowed on the track to exercise.

OBSERVE ON THE TRACK

Veterinary teams are stationed around the racetrack to observe Breeders' Cup horses during training in the mornings. All runners must undergo a mandatory trot up exam prior to training. This ensures that the horses show no outward signs of injury and shows how well the horse moves over the racing surface. Trot-up exams are recorded on video for future review and evaluation.

REGULAR MONITORING

The Breeders' Cup horses are closely observed, with multiple examinations done from the time they arrive at Del Mar up until race day. Each day, the veterinary team meets to discuss each participating horse.

RACE DAYS — OCTOBER 31 - NOVEMBER 1

LOOK AT EVERY STARTER AT THEIR BARN

Veterinary teams conduct intensive examinations of every starter at their barn to determine if each horse is fit to race. If a runner is found to be unfit to race, the official CHRBR veterinarian will communicate with the Stewards and the trainer, which results in a veterinarian's scratch, meaning the horse will not run.

INJURY MANAGEMENT TEAM

The veterinarian and medical teams take their positions around the racetrack so that if any horse or rider needs attention before, during, or after the race, they can immediately respond.

PADDOCK TO THE TRACK

Veterinary teams are stationed in the paddock to observe the horses as they are being saddled. When the horses are called to the track, the veterinary team follows the runners to the racetrack. The veterinary teams then observe the horses as they jog to warm up before going to the starting gate. If a horse does not warm up appropriately, it is removed from the race as a late scratch.

WINSTAR FARM

25 YEARS OF BREEDERS' CUP PROSPERITY

WinStar Farm wasn't in business yet when the first Breeders' Cup ran in 1984. The Versailles, Kentucky-based operation was founded by Kenny Troutt and Bill Casner in 2000 when two friends partnered to buy Prestonwood Farm on land that was originally settled in the 1700s. Now established as one of Kentucky's major showplace farms and expanded to 2,700 acres, with arguably the strongest collection of stallions in the Bluegrass, the stories of some of the current occupants of WinStar's stallion barn are intertwined with the Breeders' Cup in the 21st century.

In 25 years of operation, WinStar Farm has a deep and rich history that is synonymous with the Breeders' Cup. Whether it's standing Breeders' Cup winning stallions, or stallions who produced Breeders' Cup winners, WinStar is no stranger to Breeders' Cup prosperity.

There has only been one horse in history to win the Breeders' Cup Classic twice: the ever-popular WinStar stallion Tiznow (2000–01). He was known on the track as America's "Big Horse," and he would go on to become known in the breeding world as the "Big Horse Sire." Pensioned from stud duty in 2021, Tiznow sired 14 Grade 1 winners, including a pair of Breeders' Cup champions. In 2016, his son Tourist ran the fastest Breeders' Cup Mile ever—1:31.71—in winning the prestigious internationally-acclaimed race.

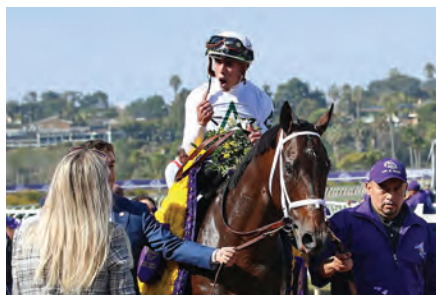

The late Speightstown was another WinStar stallion that is synonymous with the Breeders' Cup. The brilliant son of Gone West proved to be a top-class sprinter, capturing the Breeders' Cup Sprint and the Eclipse Award as Champion Sprinter of 2004. Like Tiznow, he too sired 14 Grade 1 winners, including 2016 Breeders' Cup Dirt Mile victor Tamarkuz.

WinStar's foundation stallion Distorted Humor, the leading freshman sire of 2000 and sire of 2003 Kentucky Derby and Preakness winner Funny Cide in his first crop, sired 18 Grade 1 winners. Also a former champion General Sire, Distorted Humor earned Breeders' Cup glory for his connections when his son Drosselmeyer, the Belmont S. winner, captured the 2011 Breeders' Cup Classic at Churchill Downs. Although now pensioned,

Distorted Humor still lives the good life in WinStar's stallion barn alongside his old friend Tiznow.

Straight No Chaser

Life Is Good

No WinStar sire has had quite as much Breeders' Cup success as the late More Than Ready, who was WinStar's most prolific sire of Breeders' Cup champions with a total of 7. The list includes two-time Breeders' Cup Sprint winner Roy H (2017–18), as well as last year's Breeders' Cup Mile winner More Than Looks.

The late Pioneerof the Nile's legacy as a sire was cemented when the incomparable American Pharoah was named 2-year-old champion male of 2014, then the next year became the first Triple Crown winner since 1978, capping his spectacular season with a win for the ages in the 2015 Breeders' Cup Classic at Keeneland. In 2016, Pioneerof the Nile got his second 2-year-old champ and Breeders' Cup winner when Classic Empire wrapped up his campaign with a memorable victory in the Juvenile at Santa Anita.

The future indeed looks bright at WinStar, with 2021 Breeders' Cup Dirt Mile champ Life Is Good taking up residence in 2023. His first crop of yearlings have been well-received at public auction with several seven-figure purchases. Next year, WinStar will stand reigning Breeders' Cup Sprint winner Straight No Chaser—a grandson of Speightstown who was named the 2024 Eclipse Champion Sprinter. Both stallions are looking to follow in the proverbial hoofprints of the great WinStar sires that have come before them.

Home of Champions

Ashford Stud, in the heart of Kentucky's famous Bluegrass, is home to Coolmore America. When Ashford first opened its doors for the 1982 breeding season the stallion roster was headlined by **Storm Bird**, the highest rated two-year-old in Europe in 1980. Among the resident mares was Terlingua. Her mating to Storm Bird that year would have a lasting impact on thoroughbred breeding worldwide through the exploits of their prolific son Storm Cat. 1996 marked the retirement of Kentucky

Derby winner **Thunder Gulch**, who is out of a daughter of Storm Bird. Thunder Gulch would soon gain

the distinction of being the first Champion Sire to stand at Ashford when he topped the general sires list in 2001.

In the meantime, **Giant's Causeway** notched up three Champion Sire titles; only the fifth sire to do so since 1941 following luminaries Bull Lea, Nasrullah, Bold Ruler and Danzig. The 2YO Sires table has been topped by Ashford sires **Woodman** (twice), **Hennessy**, **Tale Of The Cat**, **Giant's Causeway** (twice), **Uncle Mo**, **Scat Daddy** and his Triple Crown-winning son **Justify**. The latter has made a truly outstanding start to his stud career alongside the only other living Triple Crown winner **American Pharoah**.

A quartet of Grade 1 winners in the shape of **Corniche**, **Epicenter**, **Golden Pal** and **Jack Christopher** all saw their first yearlings extremely well received this summer and fall while ace sprinter **Gunite** will be represented by his first weanlings at the upcoming sales.

Domestic Product joined his sire **Practical Joke** on the roster for 2025 having mirrored that horse's sophomore career with victories in both the H. Allen Jerkens and the Dwyer Stakes.

All in all, we think it's safe to say Ashford's iconic stallion barns will continue to house influential breed shapers for years to come.

100 Years of Excellence

Established in 1924, Calumet Farm has bred champions with bloodlines that excel on both dirt and turf - boasting 2 Triple Crown winners, 8 Kentucky Derby winners, 8 Preakness Stakes winners, 2 Belmont Stakes winners, and 11 horses enshrined in the National Museum of Racing and Hall of Fame.

Calumet Farm's current stallion roster builds on this history of champions with a collection of Grade 1 winning pedigrees.

- 🐎 **LEXITONIAN**, a homebred (G1) Winning Sprinting son of Speightstown, was a multiple Graded Stakes Winner from 3 to 5, including a win in the (G1) Alfred G. Vanderbilt Handicap.
- 🐎 **KEEN ICE**, sire of the Kentucky Derby Winner Rich Strike, was the only horse to beat Triple Crown Winner American Pharoah during his champion 3YO year.
- 🐎 **OXBOW**, the 8th Preakness Stakes Winner for Calumet Farm, is the lifetime sire of 71% Winners / Starters including 7 Graded Stakes Winners.
- 🐎 **HIGHTAIL**, winner of the Breeders' Cup Juvenile Sprint, is the lifetime sire of 12% Black Type Runners / Starters including (G1) Winner Mongolian Groom.
- 🐎 **CHANNEL CAT**, a homebred Winner of the (G1) Man o' War Stakes for Calumet Farm, is the heir apparent to Perennial Top Turf Stallion English Channel.

Building on this rich tradition, Calumet Farm has proudly crafted the finest Kentucky Bourbon Whiskey for many years. To celebrate our centennial, we are unveiling a distinctive collection that embodies the legacy of excellence and unwavering commitment to perfection.

LONGINES
WORLD'S BEST
RACEHORSE RANKINGS

ifhaonline.org

The LONGINES World's Best Racehorse Rankings is horse racing's equivalent to World Rankings by other major sporting organizations such as ATP Tennis Rankings, World Golf Rankings, FIFA World Rankings for soccer and IRB Rugby World Rankings.

The LONGINES Rankings are based on the ratings earned by horses running worldwide from North and South America, Europe, Middle East, South Africa, Asia through to Australia and New Zealand.

The ratings are compiled under the auspices of The International Federation of Horseracing Authorities (IFHA) by racing officials & handicappers representing the five continents who compile the ranking order by agreeing on the rating for each horse.

The ratings are based on the performance of horses in elite races held during the designated period which takes in account the quality of opposition and achievements of each horse.

Throughout the year the LONGINES Rankings are published at regular intervals and the consolidated annual rankings are released in January. The annual rankings denote the champions in the various distance categories for example sprint or mile, surface either turf or dirt/artificial and also the fillies & mares category.

 Denotes Breeders' Cup pre-entry.

THREE CHEERS TO THE BREEDER

The “Three Chimneys’ Three Cheers to the Breeder” serves as a meaningful tribute to Breeders, the passionate and dedicated individuals who are essential to the success of the sport but who may not always share the spotlight with owners, trainers, or jockeys. The winner’s circle trophy presentation, as part of the Breeders’ Cup official ceremonies on Breeders’ Cup weekend, shines a spotlight on the often behind-the-scenes work of breeders, bringing their stories and efforts to the forefront of the racing world.

Our goal has been to offer fellow Breeders valuable recognition, at a moment of celebration, during thoroughbred racing’s most prominent weekend. The initiative emphasizes the global reach and importance of the Breeders’ Cup, and connects breeders’ personal stories with the broader tradition of excellence in Thoroughbred racing.

As the co-owners of the 2017 Breeders’ Cup Classic winner Gun Runner, along with our partner Ron Winchell, we can attest that the Breeders’ Cup can truly be a life-changing experience. The 2017 Breeders’ Cup became the launching pad from which Gun Runner, the eventual Horse of the Year and Hall of Fame inductee, began his meteoric rise from racehorse to legend.

Claiborne Farm

Raising the Bar

The key to success is starting with fertile ground, and there is perhaps no ground more fertile in the Thoroughbred industry than Claiborne Farm.

Since the foal crop of 2000, Claiborne Farm has raised 146 graded stakes winners - either as Claiborne homebreds or for clients - setting foot in the winner's circle for the biggest races on the calendar.

As such, Claiborne Farm has been a prolific source of Breeders' Cup success over the past quarter-century, with five winners of six races at the marquee event over that span of time.

Roy H, bred by Ramona Bass, was one of the most prominent runners around one turn of the late 2010s, claiming the Breeders' Cup Sprint (G1) in 2017 and 2018 en route to Eclipse Award honors as champion male sprinter both seasons.

Storm Flag Flying earned champion 2-year-old female honors in 2002 after winning that year's Breeders' Cup Juvenile Fillies (G1) as a homebred for Phipps Stable. The Phipps operation also campaigned 2005 Breeders' Cup Distaff (G1) winner Pleasant Home as a homebred.

Also securing an Eclipse Award after Breeders' Cup success was War Pass, bred by Cherry Valley Farm, who was named champion 2-year-old male after taking the Juvenile (G1) in 2007.

The greatest Breeders' Cup prize was claimed by Blame, a homebred for Claiborne Farm and Adele Dilschneider, who outdueled the mighty Zenyatta in the 2010 Classic (G1), widely considered to be one of the most exciting races of the decade. The victory clinched champion older male honors at that season's Eclipse Awards.

In addition to earning the biggest Breeders' Cup victory among the horses raised at Claiborne Farm since 2000,

Blame is one of four horses raised at the farm since the 2000 crop that resided on Claiborne's stallion roster this past breeding season.

Blame, a son of Arch, is the sire of six Grade 1 winners, and he has already established himself as an elite broodmare sire, responsible for three Grade 1 winners at this year's Saratoga meet alone. He is also the broodmare sire of 2022 Breeders' Cup Juvenile (G1) winner and champion 2-year-old male Forte.

War Front, a homebred for Joseph Allen, is the sire of 2015 Breeders' Cup Juvenile Turf (G1) winner Hit It a Bomb, among his army of Grade and Group 1 winners at home and abroad, including this year's Arlington Million Stakes (G1) winner Fort Washington, who was born and raised at Claiborne Farm for breeders Joseph Allen and Peter Brant's White Birch Farm. The greatest son of the mighty Danzig at stud is also the sire of fellow Claiborne stallions War of Will (Preakness Stakes (G1)) and Annapolis (Coolmore Turf Mile (G1)).

New to Claiborne's stallion roster for 2025 was Prince of Monaco, the fastest Speightstown juvenile ever and the legendary sire's only son to win a Grade 1 at age 2. With the Breeders' Cup returning to Del Mar in 2025, Prince of Monaco's unbeaten record at the Southern California track is front-and-center, highlighted by a stakes record-setting romp in the Best Pal S. (G3) over eventual multiple Grade 1 winners Muth and Raging Torrent, followed by a top-level score in the Del Mar Futurity (G1). In his first year at stud, the Stonestreet Farm homebred turned \$950,000 Fasig-Tipton Saratoga yearling covered a farm-record 176 mares, including 44 black type runners, at a fee of \$30,000 LFSN.

Flightline's initial crop of yearlings prove popular at auction

By Tom Law

Hundreds of superlatives could summarize the members of Flightline's first crop of yearlings that passed through auction rings in New York, Kentucky and Japan in 2025. Since there isn't limitless space to match the equally unlimited potential of the unbeaten Horse of the Year who stands at Lane's End Farm near Versailles, Kentucky, we'll keep it to just 20 words.

Classy.

Smart.

Intelligent.

Presence.

Good minds.

Keen dispositions.

Very sensible.

Great individual.

Beautiful physical specimen.

Absolutely stunning.

Like a portrait.

Those are just snippets from a sampling of comments made by the buyers and sellers of Flightline's yearlings at three of the world's leading auctions this summer – the Japan Horse Racing Association select sale in July, Fasig-Tipton Saratoga sale in August and the Keeneland September sale. Sellers couldn't wait to put members of Flightline's first crop in the sales ring and buyers were just as swift and dug just as deep to scoop them up. "I haven't seen one that wasn't an athlete," said Lane's End Bloodstock's David Ingordo, who purchased Flightline as a yearling at the 2019 Saratoga sale. "They have good minds, I haven't seen one that's difficult yet. He had a brilliant mind. He was a good-feeling horse, but sensible. They've got his presence."

The first three Flightline yearlings sold in Japan and averaged \$1.1 million. A larger group went on offer at Fasig-Tipton Saratoga, which Lane's End's Bill Farish called a "true, true test" for Flightline.

High marks came again as eight sold at Saratoga for \$7.1 million, an average of more than \$880,000.

The group at Saratoga represented a full circle moment, as Flightline sold at the 2019 sale out of the Lane's End consignment for \$1 million to West Point Thoroughbreds. West Point campaigned Flightline with Hronis Racing, Siena Farm, his breeder Summer Wind Equine and Woodford

Racing. West Point's Terry Finley shopped the sale with his usual advisor David Ingordo of Lane's End Bloodstock, and signed for the first Flightline through the ring, Hip 34, a filly out of All American Dream, for \$1.1 million. "She really was a tank and just a beautiful physical specimen, like a portrait," Finley said of the half-sister to Grade 2 winner Barnes. "She did remind me, and us, quite a bit of Flightline. He had a great line on the sale, unflappable, six years ago. Overall, she just gave us a very good feel . . . We're excited for the Flightlines, we think he's going to make a mark on the breeding industry and on the game for the next several decades."

That filly finished as one of two at the sale to bring seven figures, along with a colt that sold on the second night for \$1.8 million, again to West Point with John Oxley also on the sales ticket. Bred by Summer Wind and Sarah Farish, the colt is out of the stakes-winning Quality Road mare Park Avenue.

"He was really forward, even as a baby," said Lane's End's Allaire Ryan. "We identified him pretty early on as one that we hoped to bring up here."

The high bar went up at Keeneland September, when 44 Flightline yearlings sold for \$30.55 million. Eight Flightline yearlings sold for seven figures at the Keeneland September sale, including the sale topping filly at \$2.2 million and two others that brought \$1.7 million and \$1.6 million. Four others sold for \$900,000 or more.

The sale topping filly, who is out of the multiple graded stakes winner Four Graces, went to Randy Sarf's LSU Stables out of the Gainesway consignment.

"The filly was a queen," Gainesway's Brian Graves told *BloodHorse* after the sale. "She was just absolutely beautiful. She had beautiful angles. Everybody in this place loved her. She was one of the best fillies here, and she proved it. . . . She was absolutely stunning."

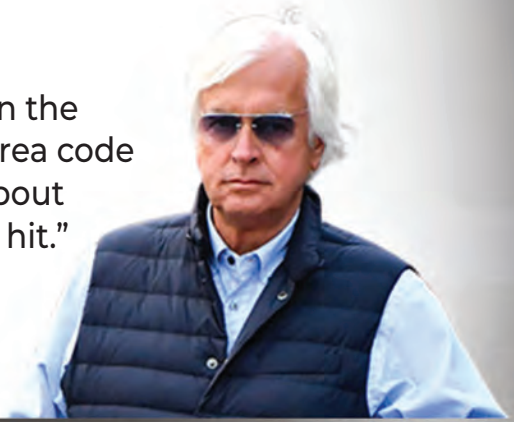

Japan's Naohiro Sakaguchi landed the top Flightline of the September sale's opening session, signing that \$1.7 million ticket for a colt out of the multiple stakes producer Mira Alta. Sakaguchi called Flightline "a favorite in Japan" and the colt proved just as popular at the Warrendale Sales consignment leading up to his moment in the ring.

"His mind, he was just so relaxed back there," Warrendale's Hunter Simms told *BloodHorse*. "He showed over 220 times over the last three days. He just handled everything with class, and was such a great individual to be around."

“he’s gotta hit”

“I didn’t have anything that could get close to him in the mornings. You could tell that he was in a different area code than anybody else as a 2YO and that’s what I love about him. I can’t see a miss here for this horse; he’s gotta hit.”
